

The Ku Klux Klan  
and Neo-Nazis  
plan to march on  
Stone Mountain  
Park this April 23.  
We will not let  
them.

Antiracist organizers are mobilizing nationally to prevent the Ku Klux Klan from marching up Stone Mountain, just outside of Atlanta, GA.

The Klan and their Neo-Nazi allies hope to continue rebuilding momentum, following a year of attacks on churches/mosques, assassinations, and racist intimidation.

Let's get together. Let's get organized. Let's make history.

Some problems can't be ignored.  
We can do this.
